

# Looking for something more meaningful to share this holiday season?

More than a gift... More than a place in local history...  
Give the children in your life a gift for generations to come!

Let our little people play a big role in building our local history! When you make a child a "Naturalist in Training" with the Myrick Hixon EcoPark, you open up a world of environmental education, hiking, birding, prairie restoration, live indigenous animal exhibits, and wonderful community events that offer memories for all time.

#### Donate at this level:

#### And you'll receive:

**\$35**

Your choice of a stuffed bear, otter, eagle or owl!\*

**\$75**

Student membership at the EcoPark, a "naturalist in training" ball cap, and your choice of a stuffed bear, otter, eagle or owl!\*

**\$100**

Family membership at the EcoPark, a "naturalist in training" ball cap, and your choice of a stuffed bear, otter, eagle or owl!\*

This kid-friendly opportunity to donate to a good cause offers more than a postcard promising a donation was made in the child's name. Instead, kids will find an adorable stuffed animal bearing the EcoPark logo and, depending on your level of contribution, a "naturalist in training" ball cap bearing the EcoPark logo. Build the excitement of the EcoPark expansion with a membership in full force when the new Ecology Center opens in spring of 2009. All "Naturalists in Training" will be recognized by name at the Ecology Center's Grand Opening!

*Orders must be postmarked by Dec. 16 to be delivered in time for holiday gift-giving! (All holiday orders will be mailed by Friday, Dec. 19 to guarantee delivery by Dec. 23.)*

\* Visit [cpclax.com](http://cpclax.com) for photos of your stuffed animal options!
